Commemorates Sept, 11 2001

“On September 11, 2001, our lives and world were changed. In tragic and shocking ways, we suffered terrorist attacks in our homeland, including the murders of 184 at the Pentagon in Arlington, Virginia. Men, women, and children in our units and neighborhoods can recall when and where they first learned of these events and the meaning they would have individually and for our world.”

Chap. (Capt.) Hedlund, Chaplain of Parks Reserve Forces Training Area, leads the prayers during 9/11 commemoration ceremony held at the Safeway national headquarters in Pleasanton California. Safeway employees, family members and citizens attended the ceremony. The headquarters for the national chain of grocery stores is located approximately 5 miles from Parks RFTA.

Sgt. Shehata, Chaplain's assistant for the Parks Reserve Forces Training Area Chapel illuminates candles to commemorate the fallen since Sept. 11, 2001. Parks RFTA conducted a ceremony on Sept. 9, to remember the Soldiers and civilians who lost their lives and to honor the families who lost a loved one since that fateful day in 2001.
