Ranger Challenge Nov. 5, 2011

On Saturday Nov. 5, six colleges from the 8th "Viking" ROTC Brigade gathered at Parks Reserve Forces Training Area in Dublin, Calif. to participate in a tough and grueling event called The Ranger Challenge.

The events consisted of a 10k road march with rucksack and gear, Army physical fitness test, leadership reaction event, rope bridge, first aid, mystery challenge, map reading/land navigation, scenario reaction, weapon assembly/disassembly and an inspection.

Throughout the event the cadets were graded on the successful completion of an individual or team skill event. Results were then tabulated to reflect a team score resulting in an overall winner. This year the University of San Francisco captured first place.

The participating colleges were University of San Francisco, Claremont Mckenna College, Santa Clara University, University of California Berkeley, University of California Davis, and Sacramento State.
