

Huge Laundromat Opens On Camp Parks!

In a constant quest to improve Soldier services Camp Parks Command officially opened the Post Laundromat on July 12 at building 398 on the corner of Davis and 10th Street. Lt. Col. David James (right center) Garrison Commander, Mr. Larry Smith (left center) Deputy to the Garrison Commander, Command Sgt. Maj. Patrick Mckie (left) Garrison CSM, and Mr. James Tarver Director of Public Works, ceremonially cut the ribbon commemorating the grand opening of the laundry facility. The facility is for Soldiers and military personnel who are here for training and attending the military schools. The best part... it's all free.
